and by surveillance reports, though the photos from the surveillance are not good enough to use in court. The German Foreign Office and the Ministry of Trade have intervened on behalf of the trade mission people. **SPERBER** suspects that **OWVL**, connected with the Foreign Office, is under enemy control and is behind the intervention. **KERNOV**'s bar had a short-wave receiver built into it with an out-size antenna; this suggests **OWVL** came to the Trade Mission.
